

Neon Brochure

Open up a new world

A

Neon Department

We have more than 60 professional workers making the neon signs. we can produce 1000 meters one day, about 300 neon signs.

Our workers are very experienced, making very nice neon signs, the acrylic backboard is very clean.

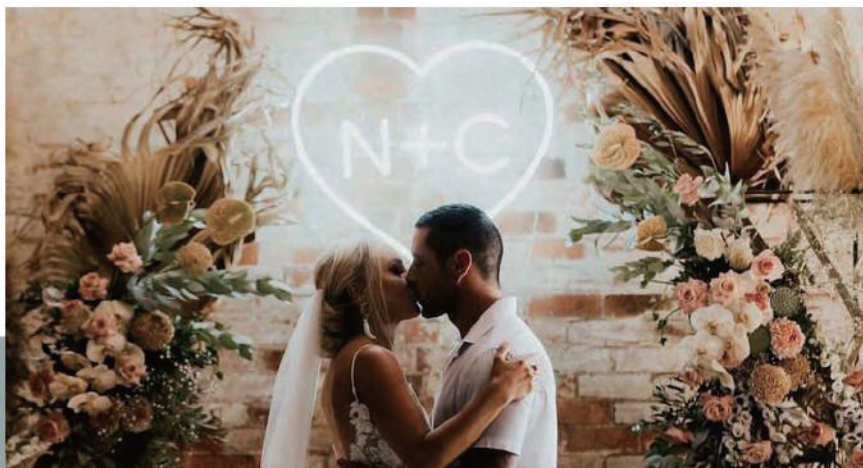

Neon Machine

This is the equipment that we cut the acrylic backboard material for the neon signs.

We have two equipment cutting the acrylic backboard, very high efficiency.

Wedding Neon Signs

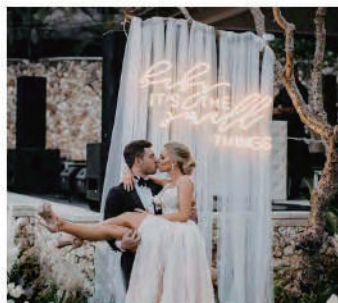

Neon signs is very suitable for events, especially for weddings.
